

Open Door Event!

22. August!

11-14.00

Ventas 1A, Sigulda!

In connection with our office and showroom we opened the shop "kalhoj" in the start of the summer. Here you will find wine glasses, crockery, cutlery, interior items, fun and unique gifts, wine from Italy, delicacies from France and a lot more for yourself, friends, family, business partners and employees!

We will celebrate the opening on Aug. 22 and you are of course very welcome. We are located just opposite Restaurant "Aparjods". Naturally there will be some good deals as well as some bites and tasting of delicacies (jams, confit, chocolate, etc.) and a little bit of a heavenly Limoncello!

You can also visit us on Facebook (However no possible to taste!) A webshop will come later, but we send off course, if you find something you need!

Also, if you need corporate gifts, gift baskets or Christmas gifts (!), we can help you! Call and we will find a solution for you. They will of course be wrapped and send, or if you need gifts for all your employees I will make the delivery myself!
